

### To Whomsoever It May Concern

This is to certify the outstanding and extensive work carried out by Mr. Anuj Pratap for our organization, SoulCurry Media Technologies. Selected after a rigorous process of interviews and internal selection, Anuj joined our team at SoulCurry in August 2016. Ever since then, he has stood out to be an extremely talented cinematographer with a flair for creativity and out of box thinking.

A highly skilled and innovative director, Anuj knows his way around the camera like no one else. His advanced proficiency in dealing with lightings, locations, equipment, and shootings is singularly impressive. What is even more impressive is the sheer sophistication with which he carries out all his assigned tasks. Ever smiling and always willing to walk the extra mile in the hour of stress, Anuj is undoubtedly everyone's first choice at SoulCurry.

Moreover, in the past five years that Anuj dedicated to our organization, he ended up building a very special rapport within the Production Department. Till date, Anuj has proved to be a great cameraman and an even better team coordinator. The depth and passion showcased by him from day one has made the whole experience of working with him a joyful one. I am confident that he will continue to put in the same sincere efforts as he did here at any organization that he joins next.

To that end, I would like to wholeheartedly express my gratitude to Anuj for all his efforts and initiatives. I, on the behalf of the entire team of SoulCurry, wish him good luck in all his future endeavors. We have no doubts in our hearts that Anuj will be successful and win everyone's heart wherever he chooses to be.
